

Dear Candidate,

Greetings from IISER Berhampur.

With reference to your application for engagement as 'Project Fellow' under the Science and Technology Department, Government of Odisha's sponsored project titled "**Early Biomarkers of Perinatal Asphyxia induced Hypoxia-ischemic encephalopathy: A novel combined strategy of Panel of Metabolic Signatures and Artificial Intelligence**" in the Department of Biological Sciences against IISER Berhampur's Advt. No. S&T/OD/BIO/BPR/010124/050/PF dated Jan 29, 2026, it is informed that your application has been shortlisted for the next level of the selection process.

In this regard, you are requested to appear for a Selection Test through Google Meet: (<https://meet.google.com>) for further evaluation of your application, which is scheduled on **April 22, 2026, from 03:00PM** onwards, where you have to introduce yourself and give an interaction. The selection test may last for ~10 minutes. Please be available during the above-mentioned date and time. Kindly ensure a well-lit environment, unobstructed and uninterrupted webcam view while appearing the test online.

The Selection Test will be based on what you have learnt in your academic degrees; you will be asked about project work(s) if you had carried out earlier.

Please confirm your availability for the Selection Test by **05:00 PM of April 21, 2026** via return mail with CC to the PI under this thread only.

You will be intimated 10 minutes before your turn for the selection test.

Best wishes,

Principal Investigator (PI)
