

Certificate for Single Technically Qualified Tender

This is to certify that:

1. The tender enquiry No. _____ for procurement of _____ was published on _____.
2. In response of enquiry total of _____ tender(s)/ quotation(s) were received and after scrutiny and technical evaluation only one tender of M/s _____ found technically qualified as per our requirement.

Keeping in view of our specific requirement, it is recommended to issue purchase/ work order on _____ due to following reasons:

- (i) That Quoted Price is reasonable and commensurate with market price.
- (ii) To best of my belief there is no possibility of lower rate offer if the tenders are re invited.
- (iii) The requirement is urgent.
