INSTRUCTIONS TO THE CONTRACTOR

- 1 The contractor submitting the tender should read the schedule of quantities, additional conditions, additional specifications, particular specifications and other terms and conditions given in the NIT and drawing. The tender should also read the General conditions of the contract for CPWD Works Manual 2022 with amendments issued up to last date of submission of bids.

However, provisions included in the tender document shall prevail over the provisions contained in the standard form in CPWD Works Manual. The bidder should also visit the site of work and acquaint himself with the site conditions before bidding the tender. The following conditions, which already form part of the tender conditions, are specially brought to his notice for compliance while filling the tender. They are requested to comply the following instructions:

- 2
 - i. Tenders with any condition including that of conditional rebates shall be rejected forthwith.
 - ii. Tenderer must ensure to quote on percentage rate basis. The column meant for quoting the rate in the figure appears in yellow color and the moment the rate is entered; it turns sky blue. In addition to this, while selecting any of the cells a warning appears that if any cell is left blank the same shall be treated as '0'. Therefore, if any cell is left blank and no rate is quoted by the bidder, the rate of such item shall be treated as '0'. However, if a tenderer quotes nil rates against each item in the item rate tender, the tender shall be treated as invalid and will not be considered as the lowest tenderer.
 - iii. The successful tenderer shall be required to submit a performance bank guarantee of 5% of the agreement amount within 10 days of the issue of the letter of acceptance. This period can be further extended by the Director, IISER Berhampur up to a maximum period of 15 days on the written request of the contractor with a late fee @ 0.1% per day of the performance guarantee amount.
 - iv. Labour Cess (1%), GST (As applicable), etc., or any other taxes as applicable shall be borne by the contractor. The tenderer shall quote the percentage rates considering all such prevailing taxes and nothing extra shall be paid.
 - v. All the statutory recoveries shall be made from the running bills of the contractor like Security deposit, TDS on Income tax, TDS on GST, Labour welfare cess, etc., or any other statutory recovery as per Government of India norms at the prevailing rates and in the manner prescribed by Government.
- 3 **Eligibility Criteria:**
 - a. The firm/ contractor who fulfills the following requirements shall be eligible to apply. Joint Ventures not accepted.
 - i. Should have satisfactorily completed the similar works as mentioned below during the last five years in any Govt. Organizations (Govt./ Autonomous Bodies/ Govt. Research Institutes or Similar Govt. Institution etc.) ending up to previous day of last date of submission of tenders. **Completed three *similar works each of value not less than 40% value of Estimated Cost or completed two similar works each of value not less than 60% value of Estimated Cost or completed one similar work of value not less than 80% value of Estimated Cost.**
 - ii. The experience in similar nature of work should be supported by Certificates issued by the client's organization. The work experiences of any Govt. Organizations (Govt./ Autonomous Bodies/ Govt. Research Institutes or Similar Govt. Institution etc.) the completion certificate shall be supported with copies of letter of award and copies of corresponding TDS Certificates.
 - iii. **Similar work shall mean:** "Providing and fixing chain-link fencing, rust treatment & painting of existing fencing, and construction of shed etc." for an amount as stated at para 3 a(i) above with all complete accessories, provided documentary evidence should be submitted from the competent authority (from an officer of a rank not less than Executive Engineer/ equivalent) in the stipulated time period.

- iv. The value of executed works shall be brought to the current costing level by enhancing the actual value of work at a simple rate of 7% per annum, calculated from the date of completion to the previous day of the last date of submission of online tender.
- v. The bidder should not have an average annual financial turnover (gross) of at least 10 Lakhs, during the immediate last three consecutive years in the balance sheets ending 31.03.2025. Balance sheets duly audited and certified by the Chartered Accountant (Scanned copy of the certificate from CA/Audited Balance Sheet) are to be uploaded. A year in which no turnover is shown would also be considered for working out the average. The multiplication factor of 7% per annum simple interest is not applicable on the Annual Turnover figures.
- vi. The bidder should have not incurred any loss (profit after tax should be positive) in more than two years during the last three consecutive years ending 31.03.2025. Balance sheets duly audited and certified by the Chartered Accountant are to be uploaded, together with a solvency certificate issued by any of the Scheduled Banks or a Chartered Accountant
- 4 The bidder should have valid GST, PAN registration no. of concerned Government Authorities.
- 5 **EMD:** The Bidder should submit an EMD in the name of "IISER Berhampur" Payable at Berhampur by bank transfer (SBI I-Collect). Bidders may visit, if any assistance is required: <https://www.onlinesbi.com/sbicollect/icollecthome.htm>. The Technical Bid without EMD would be considered as UNRESPONSIVE and will not be accepted. The NSIC / MSME registered bidders must submit copy of valid NSIC / MSME Registration Certificate for exemption of EMD as permissible under the applicable act.
- 6 **Refund of EMD:** The interest free EMD will be returned to unsuccessful tenderers only after the Tenders are finalized. In case of successful Tenderer, it will be retained till the successful and complete installation of the equipment.
- 7 The intending bidder must visit the site of IISER Berhampur to familiarize about the location and scope of work before submission of the bid.
- 8 The bidder shall depute qualified technical staff for execution of the work.
- 9 The intending bidder must read the terms and conditions carefully. He should only submit his bid if he considers himself eligible and he is in possession of all the documents required.
- 10 Information and instructions for bidders posted on the website of the institute shall form part of bid documents. The bid document consisting plans, specifications, the schedule of quantities of various types of items to be executed and the set of terms and conditions of the contract are to be complied with and other necessary documents can be seen and downloaded free of cost from Central Public Procurement (CPP) Portal <https://eprocure.gov.in/eprocure/app> or Institute website www.iiserbpr.ac.in and the bid is to be submitted online only through the CPP Portal up to the last date and time of submission of tender.

Applicants are advised to keep visiting the above-mentioned web-sites from time to time (till the dead line for bid submission) for any updates in respect of the tender documents, if any. Failure to do so shall not absolve the applicant of his liabilities of not knowing the same.

11.

SPECIAL CONDITIONS OF CONTRACT

1.0 DEFINITION:

In the Contract (as hereinafter defined) the following definitions words and expressions shall have the meaning hereby assigned to them except where the context otherwise required.

- a. Institute shall mean IISER, Berhampur.
- b. The Engineer-in-Charge, who shall administer the work, shall mean Engineer-in-Charge nominated by the Competent Authority.
- c. Government or Govt. of India shall mean the Indian Institute of Science Education and Research Berhampur represented by its Director.
- d. The term Director General of Works shall mean the Chairman, Building & Works Committee of the Institute.
- e. Accepting authority shall mean the Chairman, Building and Works Committee, IISER Berhampur on his authorized representative.
- f. Superintending Engineer shall mean the overall In-Charge and head of the Institute Works Department who shall direct the contract/EIC.
- g. Site Engineers shall also include the Project Engineer (Civil) appointed by Institute Works Department in addition to the institute engineers.

2.0 DUTIES & POWERS:

2.1 Site Engineers:

The duties of the Site Engineer(s) are to monitor and supervise the works and the workmanship in connection with the works, and to test and examine any materials to be used. He shall have no authority to relieve the contractor of any of his duties or obligations under the contract, except as expressly provided hereunder, nor to order any work involving delay or any extra payment by the Institute and to make any variation in the works.

The Engineer-in-Charge, from time to time in writing, delegates to the Site Engineer(s) any of the powers and authorities vested in them. Any written instruction or written approval given by the Site Engineer(s) to the contractor within the terms of such delegation (but not otherwise) shall bind the contractor and the Institute as though it had been given by the Engineer-in-Charge provided always as follows:

- a) Failure of the Site Engineer (s) to disapprove any work or materials shall not prejudice the power of the Engineer-in-Charge to subsequently disapprove such work or materials and to order the pulling down, removal or breaking up thereof.
- b) If the contractor is dissatisfied by reason of any decision of the Site Engineer (s), he shall be entitled to refer the matter to the Engineer-in-Charge, who shall thereupon confirm, reverse or vary such decision.

3.0 ASSIGNMENT & SUBLETTING:

3.1 The contractor shall not assign the contract or any part thereof or any benefit or interest therein or there under without the written consent of the Engineer-in-Charge to any other agencies. The whole of the works included in the contract shall be executed by the contractor except where otherwise provided in the contract. The contractor shall not sublet any part of the works without the written consent of the Engineer-in-Charge and such consent, if given, shall not relieve the contractor from any liability or obligation under the contract and he shall be responsible for the acts, defaults and neglects of sub-contractor, his agents, servants or workmen, as if they were the acts, defaults or neglects of the contractor provided always that the provision of labour contracts on a piece rate work basis shall not be deemed to be a subletting under this clause.

4.0 SCOPE OF CONTRACT:

4.1 The contractor shall make his own arrangements for the safe storage of materials; accommodation for his staff etc. and no claim for the temporary accommodation from the contractor shall be entertained.

4.2 The contractor shall carry out and complete the said work in every respect in accordance with this contract and as per the directions and to the satisfaction of the Engineer-in-Charge. Issue of further drawings and/or written instructions, detailed directions and explanations which are hereinafter collectively referred to as instructions of the Director, IISER Berhampur with regard to:

- a) The variation or modification of the design, quality or quantity of works or the addition or omission or substitution of any work.
- b) Any discrepancy in the Drawings or between the Schedule of Quantities and /or Drawings and/or specifications.
- c) The removal from the site of any materials brought thereon by the contractor and paid by the Institute in running account bills/ the substitution of any other material thereof.
- d) The dismissal of any persons employed thereupon, from the work
- e) The opening up for inspection of any work covered up.
- f) The amending/making good of any defects.

4.3 The contractor shall forthwith comply with and duly execute any instructions of work comprised in such Engineer-in-Charge's instructions, provided always that the verbal instructions and explanations given to the contractor or his representative upon the works shall, if involving a variation, be confirmed in writing by the contractor within seven days and if not dissented in writing within a further seven days by the Engineer-in-Charge, such shall be deemed to be instructions of the Engineer-in-Charge within the scope of the contract.

4.4 The scope of work shall also include incidental sundry components necessary for complete execution and satisfactory performance of the dismantling work, installation & commissioning with all labour charges, whether or not specifically mentioned in the tender documents, which shall be provided by the contractor at no extra cost.

5.0 CONTRACT DOCUMENT:

5.1 The several documents, forming the contract, are to be taken as mutually explanatory of one another and in case of ambiguities or discrepancies, the same shall be explained and adjusted by the Engineer-in-Charge who shall thereupon issue to the contractor its interpretation directing in what manner the work is to be carried out. In case the contractor feels aggrieved by the interpretation of the Engineer-in-Charge then the matter shall be referred to the Director, IISER Berhampur and his decision shall be final, conclusive and binding on both parties to the contract.

6.0 STANDARDS & CODES:

6.1 The design, manufacture, and performance of tendered material/equipment shall comply with all currently applicable statutory regulations and safety codes in the locality where the material/equipment will be installed. The material shall also conform to the requirement of the latest editions of applicable Indian Standards/International Standards. The contractor shall refer to the relevant sections of this specification for material/equipment standards and codes. Nothing in this specification shall be construed to relieve the contractor of his responsibility.

The bidder shall be responsible for preparing the correct shop drawings as per the site requirement and obtain approval from the Institute. Delays in the issue of approved drawings, if any shall not be considered for any purpose. The bidder alone shall be responsible for the timely arrangement of the required correct shop drawings and getting them approved from the Engineer-in-Charge. Submission

of Incorrect drawings or any document and time taken to rectify the same shall not be the cause of hindrance in completing the work. The Engineer-in-Charge shall have full powers and authority to supply to the contractor from time to time during the progress of the work such drawings and instructions as shall be necessary for proper execution and the contractor shall carry out and be bound by the same.

6.2 The successful tenderer shall be required to enter into an agreement with the Institute. The Bill of Quantities & rates filled by the successful tenderer there in, the **General Conditions of Contract for CPWD Works Manual 2022 with amendments issued up to last date of submission of bids**, the Special conditions, additional specifications, minutes of the pre bid conference, negotiation letter and the award letter etc. shall form part of the agreement to be signed by the successful tenderer. The cost of stamp paper and stamp duty, required for the agreement, shall be borne by the contractor.

7.0 DRAWINGS:

7.1 The contractor shall visit the site, prepare detailed soft drawings, layout drawings and get them approved from the Engineering-in-Charge before start of the work. The approved drawing shall remain in the custody of the institute.

8.0 MATERIALS AND WORKMANSHIP:

8.1 All materials used shall conform to the requirements of materials specified in this specification. Where material requirements are not specified, they shall conform to the applicable standards and BIS codes/ as approved by the Department. All materials shall be new, free from defects and of good quality in all respects as per the prescribed specifications. Parts shall be free from flaws and objectionable imperfections and shall be machined true in a workman like manner. No deviations from the specified materials are permissible. Wherever materials are not specifically called out, they shall be properly selected by the contractor / manufacturer to the best standards for the particular application and with the prior approval of the Department.

9.0 SITE AVAILABILITY:

9.1 Front may be partially available at site initially and the agency is required to visit the site before quoting the tender.

10.0 RATES:

The rates quoted by the bidder, shall be firm and inclusive of all taxes and all charges for packing forwarding, freight and delivery, installation, testing, commissioning, labour supply, etc.

11.0 DEFECT LIABILITY PERIOD:

11.1 The defect liability period will be one year from the date of completion of the work. The material, equipment, installations or any other part thereof so found defective and/or not as per the contract specifications during the guarantee period shall forthwith be repaired or replaced free of cost within 24 hours of reporting, to the satisfaction of the IISER Berhampur.

11.2 The contractor shall conduct his work, so as not to interfere with or hinder the progress or completion of the work being performed by other contractor(s) or by the Engineer-in-Charge and shall as far as possible arrange his work and shall place and dispose of the materials being used or removed, so as not to interfere with the operations of other contractor or he shall arrange his work with that of the others in an acceptable and coordinated manner and shall perform it in proper sequence to the complete satisfaction of others.

12.0 SITE SUPERVISION:

12.1 The Contractor shall engage qualified and experienced site staff including the mentioned site engineers to execute the works. Registered and licensed trade persons shall be employed under the direct employment of the contractor and shall be full time on site to supervise the works. The decision of the Engineer-In-Charge as to what constitutes this necessity shall be final and binding.

13.0 GODOWN / WORKER ACCOMMODATION:

13.1 The accommodation for workers shall be arranged by the Contractor. Storage space shall be arranged by the Owners. Contractor shall construct the stores at his cost and he shall be responsible for watch and ward of his materials/installations.

14.0 DEPARTURES:

14.1 No deviation/departure from the terms and conditions shall be acceptable.

15.0 TAXES:

15.1 All taxes as per prevailing notification of Central / State Government shall be recovered from the contractor's bill.

16.0 SUPPLY OF MATERIAL:

16.1 Merely a provision in the schedule of quantities does not entail the contractor to supply the item. The contractor has to supply the quantities actually required for use on work as per the approved drawings. If at any point of time it comes to the notice that any of the items supplied by the contractor & paid by the Institute is not required for use on work, the amount shall be recovered suo- moto and no claim shall be entertained on this account.

16.1 The contractor shall be fully responsible for the safe custody of materials brought by him at site / issued to him even though the materials may be under double lock and key system. The contractor has to make his own arrangement like shed enclosure etc. for keeping the material, providing security etc. The contractor shall be allowed to make temporary structures for stores, offices, sheds, labour huts etc. The contractor shall remove all the structures erected by him necessary for the execution of the work, after completion of the work and clean the site removing all structures and temporary hutments in all respect as per the direction of Engineer-in-charge.

17.0 Mode of payment:

17.1 The RA bills / Part payments shall be made in pro rata basis @95% of item rate after installation of the work as per General Condition of Contract with correction slip issued up to last date of submission of bids on production of proof of statutory labour payments and material accountings.

17.2 The remaining 5% of the item rates of the value of work done shall be paid along with final bill on completion of all work, commissioning, production of compliance of all statutory labour payment and on issue of work completion certificate by the EIC/SE, on expiry of the DLP.

18.0 Progress report:

18.1 The agency shall submit monthly progress report of the work in computerized form along with progress photograph of various items done up to date to indicate actual progress of work.

19.0 Labour Insurance and Statutes:

19.1 The contractor shall obtain GPAI for all an amount of Rs. 5 lakhs/head for the full period of the contract to meet any untoward incident to the workers at site during the execution of the contract.

19.2 All wages, PF, ESI, SBF, etc. shall be complied by the contractor for all the works deployed at site execution of the work.

19.3 The wages of the labour shall be paid as per the guidelines provided in the CPWD contractor labour regulations.

20.0 Safety:

20.1 The contractor shall ensure use of all safety personal protective equipment (PPE) by all workers during execution of work at site without fail. Each incident of nature of PPE shall attract a penalty of Rs. 500/-, recoverable from the bills of the agency.

20.2 The safety of personnel, material, institute property and other contractor's property shall be ensured during execution of the work by the contractor.

SCHEDULE OF REQUIREMENTS

A. Providing and Fixing Chain-Link Fencing at Boys Hostel-2

1. The work includes providing and fixing G.I. chain-link fencing of mesh size 50x50 mm, made of PVC-coated G.I. wire of 4 mm dia (outer dia not less than 5 mm), in required colour and shade. The final colour shall be approved by the Engineer-in-Charge before procurement.
2. The chain-link fabric shall be fixed to M.S. angle iron posts, bracing, and framing members fabricated from 40x40x5 mm and 35x35x5 mm M.S. angles, including necessary welding, bolting, and drilling work.
3. Posts shall be fixed using expansion hold fasteners (dia 12 mm) on the existing concrete or masonry surface as per site conditions and direction of the Engineer-in-Charge.
4. The work also includes providing and fixing of necessary M.S. tower bolts, nuts, bolts, and washers for gates or entry sections where required.
5. All M.S. structural members shall be cleaned, primed with Zinc Chromate Yellow Primer, and painted with two or more coats of Synthetic Enamel Paint of approved shade.
6. All work shall be carried out strictly as per CPWD Specifications 2023 (Sections 10 & 13) and in a neat, secure, and workmanlike manner.

B. Rust Treatment & Painting of Existing Fencing at Football Ground and Tennis Court

7. The work includes rust treatment, surface preparation, and complete repainting of the existing fencing, fabric wire mesh, angle posts, and supports at the Football Ground and Tennis Court of IISER Berhampur.
8. All existing rusted and loose paint shall be removed thoroughly by mechanical wire brushing or sandpapering. The surface shall be made free from dust, grease, and flaky material before applying any paint.
9. A coat of Zinc Chromate Yellow Primer shall be applied uniformly over all cleaned surfaces, including wire mesh and posts.
10. Two or more coats of Deluxe Multi-Surface Synthetic Enamel Paint of approved brand, shade, and manufacture shall then be applied to all fencing components, including wire mesh, supports, and gate frames.
11. The paint shall be applied as per manufacturer's specifications with required drying intervals to achieve a uniform, glossy, and durable finish.
12. The work shall include scaffolding, brushes, rollers, safety gear, and all materials required for complete execution.
13. All works shall conform to CPWD Specifications 2023 (Painting and Finishing Works, Section 13) and as directed by the Engineer-in-Charge.

C. Construction of Shed for Housing Chiller Unit under CAIF Facilities

14. The work includes fabrication, supply, and erection of a structural steel shed to house the chiller unit under the CAIF facility at IISER Berhampur.
15. The RCC platform for the chiller unit will be provided separately by the Institute, and the contractor shall take due care during installation to avoid any damage to the existing structure.
16. The shed shall consist of: M.S. SHS Columns (75x75x4.9 mm), M.S. SHS Beams and Side Members (63.5x63.5x4.5 mm), and M.S. SHS Purlins (45x45x3.2 mm). All sections shall be properly cut, welded, and erected in true alignment.
17. Roofing shall be done using 0.8 mm thick corrugated G.S. sheets with zinc coating not less than 275 gm/m², fixed with polymer-coated J/L hooks, bolts, nuts, G.I. limpet washers, and bitumen washers for water tightness.

18. All steel surfaces shall be cleaned, primed with Zinc Chromate Primer, and finished with two or more coats of Synthetic Enamel Paint of approved brand and shade.
19. The structure shall be capable of withstanding local wind loads and environmental exposure, considering the coastal location of IISER Berhampur.
20. All welding, fabrication, and erection work shall conform to CPWD Specifications 2023 (Sections 4 & 10) and relevant BIS codes.

D. General Notes (Applicable to All Three Works):

21. The contractor must visit the site before filling the bid to familiarize themselves with existing conditions, access routes, and working space.
22. All materials shall be of approved make and quality, conforming to relevant IS codes and CPWD Specifications 2023.
23. The work shall be carried out under the supervision of the Engineer-in-Charge and as per their instructions at all stages.
24. Safety, housekeeping, and protection of nearby structures during work execution shall be the contractor's full responsibility.
25. The contractor shall restore any disturbed surface or structure to its original condition after completion of work.
26. The quoted rate shall be inclusive of all materials, labour, machinery, scaffolding, lifting equipment, safety arrangements, and finishing works required to complete the shed in all respects.

List of Approved Makes / Brands

CPWDs approved makes (as per latest CPWD General Specifications and approved manufacturers list).

Sl. No.	Item Description	Approved Make / Brand
1	PVC coated G.I. Chain link fencing (mesh 50x50mm, 4mm wire dia, outer dia $\geq$ 5mm)	Tata Wiron, JSW, Jindal Wire
2	M.S. angle iron frame (40x40x5mm, 35x35x5mm)	SAIL, TATA, RINL (Vizag Steel), Jindal, JSW
3	Synthetic enamel paint (two or more coats)	Asian Paints, Berger, Nerolac, Dulux, Indigo
4	Deluxe Multi Surface Paint System (Primer + Enamel)	Asian Paints (Apolite), Nerolac, Berger
5	PCC (1:2:4, M15)	OPC/PSC Cement: Ultratech, ACC, Dalmia, Coarse sand & aggregates: as per IS 383 (locally approved quarry)
6	M.S. SHS structural members (columns, beams, purlins, side members)	SAIL, TATA, Jindal, JSW, RINL
7	0.8 mm thick corrugated G.S. sheet roofing (Zn $\geq$ 275 gm/m ²)	Tata, JSW, AMNS (ArcelorMittal Nippon Steel)

Notes:

1. All materials shall conform to relevant BIS / CPWD specifications and shall be ISI marked wherever applicable.
2. Any equivalent make may be used only with prior approval of the Engineer-in-Charge.
3. Paint and primer shall be of the same manufacturer to ensure compatibility.
4. For fasteners and chain link fencing, galvanized coating thickness shall meet IS standards.

Form of Performance Security (Guarantee)
Bank Guarantee Bond - Format - I

In consideration of the President of India (hereinafter called "The Government") having offered to accept the terms and conditions of the proposed agreement between **IISER Berhampur** and (hereinafter called "the said Contractor(s)") for the work..... (hereinafter called "the said agreement") having agreed to production of an irrevocable Bank Guarantee for Rs. (Rupees only) as a security/guarantee from the contractor(s) for compliance of his obligations in accordance with the terms and conditions in the said agreement.

1. We, (hereinafter referred to as "the Bank") hereby undertake to pay to the Government an amount not exceeding Rs. (Rupees..... Only) on demand by the Government.

2. We, (indicate the name of the Bank) do hereby undertake to pay the amounts due and payable under this guarantee without any demure, merely on a demand from the Government stating that the amount claimed as required to meet the recoveries due or likely to be due from the said contractor(s). Any such demand made on the bank shall be conclusive as regards the amount due and payable by the bank under this Guarantee. However, our liability under this guarantee shall be restricted to an amount not exceeding Rs..... (Rupees only)

3. We, the said bank further undertake to pay the Government any money so demanded notwithstanding any dispute or disputes raised by the contractor(s) in any suit or proceeding pending before any court or Tribunal relating thereto, our liability under this present being absolute and unequivocal. The payment so made by us under this bond shall be a valid discharge of our liability for payment thereunder and the Contractor(s) shall have no claim against us for making such payment.

4. We, (indicate the name of the Bank) further agree that the guarantee herein contained shall remain in full force and effect during the period that would be taken for the performance of the said agreement and that it shall continue to be enforceable till all the dues of the Government under or by virtue of the said agreement have been fully paid and its claims satisfied or discharged or till Engineer-in- Charge on behalf of the Government certified that the terms and conditions of the said agreement have been fully and properly carried out by the said Contractor(s) and accordingly discharges this guarantee.

5. We, (indicate the name of the Bank) further agree with the Government that the Government shall have the fullest liberty without our consent and without affecting in any manner our obligation hereunder to vary any of the terms and conditions of the said agreement or to extend time of performance by the said Contractor(s) from time to time or to postpone for any time or from time to time any of the powers exercisable by the Government against the said contractor(s) and to forbear or enforce any of the terms and conditions relating to the said agreement and we shall not be relieved from our liability by reason of any such variation, or extension being granted to the said Contractor(s) or for any forbearance, act of omission on the part of the Government or any indulgence by the Government to the said Contractor(s) or by any such matter or thing whatsoever which under the law relating to sureties would, but for this provision, have effect of so relieving us.

6. This guarantee will not be discharged due to the change in the constitution of the Bank or the Contractor(s).

7. We, (indicate the name of the Bank) lastly undertake not to revoke this guarantee except with the previous consent of the Government in writing.

8. This guarantee shall be valid up tounless extended on demand by the Government. Notwithstanding anything mentioned above, our liability against this guarantee is restricted to Rs..... (Rupees) and unless a claim in writing is lodged with us within six months of the date of expiry or the extended date of expiry of this guarantee all our liabilities under this guarantee shall stand discharged. Dated theday offor..... (indicate the name of the Bank).

CONTRACT AGREEMENT

AGREEMENT made on this _____ day of _____ Two Thousand Twenty-Five between the Indian Institute Science Education & Research Berhampur incorporated as Institutions of National Importance under the umbrella of the NIT (Amendment) act, 2012 (NIT Act 2007), **(The act was further amended in 2014, entitled as NITSER ACT 2014)** through its Superintending Engineer IISER Berhampur (hereinafter referred to as "The Institute") and M/s _____

_____ (Hereinafter referred to as "The Contractor") which expression shall include his/their respective heirs, executors, administrators and assigns of the other part.

WHEREAS the Institute is desirous for the work **"Providing and fixing chain-link fencing at Boys Hostel-2, rust treatment & painting of existing fencing at Football Ground and Tennis Court, and construction of shed for housing chiller unit under CAIF facilities at IISER Berhampur Permanent Campus."** and has caused drawings and specifications describing the work to be done and WHEREAS the said drawings as per list attached, the specifications, the priced Schedule of Quantities the conditions of tender and the conditions of contract have been signed by or on behalf of the parties hereto AND WHEREAS the contractor has agreed to execute upon and subject to the condition set forth (herein after referred to as 'the said conditions') the work shown upon the said drawings and described in the said specification and the said priced Schedule of Quantity 'at the respective rates mentioned in the priced Schedule of Quantities.

AND WHEREAS the contractor has deposited by Cash / FDR/ PBG for a sum of Rs. _____/- (Rupees _____ only), with the Institute for the due performance of this agreement.

NOW IT IS HEREBY AGREED AS FOLLOWS:

- 1 In consideration of the payments to be made to the contractor as herein after provided the Contractor shall upon and subject to the said conditions execute and complete the works shown upon the said drawings and such further detailed drawings as may be furnished to him by the said Institute and described in the said specification, and the said priced Schedule of Quantities.
- 2 The Institute shall pay the contractor such sums as shall become payable here under at the time and in the manner specified in the said conditions.
- 3 Time is the essence of the agreement. In the event of the Contractor failing to comply with this condition, he shall be liable to pay compensation as per clause 2 of the General Condition of the Contract as decided by the competent authority of the Institute in writing which shall be final and binding on the contractor.
- 4 The Drawings, specifications and priced Schedule of Quantities above mentioned shall form the basis of this contract and the decision of the Director or Arbitrator or Umpire as mentioned in the conditions of the Contract in reference to all matters of disputes as to material, workmanship or account and as to the intended interpretation of the clause of this agreement or any other document attached here to shall be final and binding on both parties and may be made by a rule of court.
- 5 The said contract comprises the work above mentioned and all the subsidiary work connected therewith the same site, all as may be ordered to be done from time to time by the institute even though such works may not be shown on the drawings or described in the said specifications or the priced Schedule of Quantities.

6 The institute reserves the right to alter the drawings and nature of the work and of adding to or omitting any items of work or of having portions of the same carried out departmentally or otherwise and such alterations or variations shall not vitiate this contract.

7 The said conditions and appendix there to shall be read and construed as forming part of this agreement and the parties here to will respectively abide by and submit themselves to the conditions and stipulations and perform the agreement on their parts respectively in such conditions contained.

8 All other disputes and differences except as excluded by clause 2 shall be referred to arbitration as per clause 25 of the said conditions of contract. The provision of the **Arbitration and Conciliation Act 1996 (26 of 1996)** or any statutory modifications or reenactment thereof and of the rules made there under for the time being in force shall apply to Arbitration proceedings under this clause.

9 All disputes arising out of or in any way connected with this agreement shall be deemed to have arisen in Berhampur and only courts in Berhampur shall have jurisdiction to determine the same.

10 The several parts of this contract have been read to us and fully understood by us. In witness whereof the parties hereto have set their respective hands the day and the year herein above written.
