DETAILED TECHNICAL SPECIFICATIONS

(Scope of work)

1. Comprehensive AMC service for various Percival Chambers currently installed at the campus.
2. Service provider needs to visit the site and inspect the chambers before quoting.
3. Minimum two maintenance visits per year (preventive maintenance visit) and prompt response to breakdown calls.
4. AMC period is 5 years from the date of award of the PO.
5. Accessories such as suitable, branded Male + Female Lamp holder & fluorescent lamps (for DR36, AR95, and other chambers), and other common spare parts etc. (quantity as per the requirement during the AMC period), need to be included in the AMC quote.
6. Shifting support to new campus (from transit to permanent campus) for dismantling and re-assembly of chambers covered under AMC.
7. Vendor should provide detailed service report for each chamber and its working, authority letter and service support details from OEM.
8. All services will be carried out by well-trained and experienced technicians (dedicated team of service engineers).
9. Additional support wherever possible that can extend the lifetime and usage of the chambers.
10. In the highly unlikely event that we are not able to fix your appliances for reasons beyond our control, we can mutually agree to close the AMC and we can settle the payment on pro-rata basis.
