

NOTICE INVITING QUOTATION

Indian Institute of Science Education and Research (IISER), Berhampur, is an autonomous Institute established under Ministry of Education, Government of India. Quotations are invited from prospective bidders for **Hiring a firm to develop the institute's website template**. All prospective suppliers are requested to submit their quotations on or before the end date/time of submission in the following ways:

- By speed post to reach the specified address / drop the sealed quotation in tender box kept at the Security Desk of Institute.
- By email to purchase@iiserbpr.ac.in. The scanned soft copy (pdf) of the quotation should be password protected. The password will be obtained from the suppliers at the specified time of opening of NIQ. The unprotected soft copy of quotation may be rejected.

The sealed envelope should be duly super-scribed OR the subject of email providing soft copy of the quotation should be as follows: **"Quotation for Develop Institute's Website Template vide NIQ No. IISERBpr/NIQ/CC/2024-25/04 dated February 14, 2025"**

Indent No.	IISERBpr/2024-25/CC/B0048/38 dated 11/02/2025
NIQ No.	IISERBpr/NIQ/CC/2024-25/04
NIQ Date:	February 14, 2025
Brief Description of the item	Develop Institute's Website Template (Eligibility criteria and scope of the work enclosed)
Quantity	1
Delivery Period (Days/weeks):	08 weeks from the release of Purchase Order
Delivery Location:	2nd Floor, IISER Berhampur, Transit Campus, Govt. ITI, Engineering School Road, Berhampur, Odisha – 760010
Estimated value	₹ 3,00,000.00/-
NIQ Submission End Date & Time of submission	February 19, 2025, at 10.00 hrs.
NIQ Opening Date, Time & Venue	February 19, 2025, at 10.45 hrs. (Store & Purchase Office)
Date for presentation	19- 02 -2025 11:00 hrs
Delivery:	(i) FOR IISER Berhampur (ii) LD Charges @0.5 % per week for late delivery.
Payment Terms.	100 % after successful delivery and installation
Address for submission of NIQ:	The Stores & Purchase Officer IISER Berhampur, Loudigam, Konisi, Ganjam-760003 Through email: purchase@iiserbpr.ac.in (strictly as per the above directive)
Award of Contract:	The bidder who quotes the Lowest amount shall be awarded the contract
For technical Clarifications please contact:	Computer Centre E-mail: cc@iiserbpr.ac.in Tel. No. 9439417899
NIQ Inviting Authority:	Stores and Purchase Officer for and on behalf of Director, IISER Berhampur Tel. No.0680 2227-728/709

Stores & Purchase Officer

Ref: NIQ No. IISERBpr/NIQ/CC/2024-25/04 dated February 14, 2025

Eligibility Criteria

Sl. No.	Description	Complied (Yes / No)
1	Bidder must have at least two years of experience designing and maintaining CFTIs / university websites. Client details of completed projects need to be submitted in the prescribed format in point no 5 of Annexure-B	
2	Bidder must provide technical details as per Annexure-B	

Scope of work

Sl. No.	Description	Complied (Yes / No)
1.	Bidders must submit two wireframes for the proposed template. These wireframes focus on enhancing user experience, improving navigation, and ensuring a responsive and modern design. These wireframes will be the initial blueprint for the website's structure, layout, and functionality.	
2.	Bidders should provide a 20-minute presentation detailing the implementation strategy, technologies to be used, and recommendations for enhancing the website. The presentation will be on hybrid mode.	
3.	The bidder has to submit an estimated timeline for the project completion and integration with the existing framework as follows: (prescribed in point no 6 of Annexure-B) <ul style="list-style-type: none"> • Phase 1: Planning & Design – [X days] • Phase 2: Development & Testing – [X days] • Phase 3: Deployment & Review – [X days] Total estimated time for implementation: [X days] Note: The total implementation time shall not exceed 48 days from the date of award of the order.	
4.	The bidder must integrate UI in the existing backend and database (Please find details at Annexure-C)

- The homepage of the website needs the most attention landing page.

URL - <https://www.iiserbpr.ac.in/>

- <https://www.iiserbpr.ac.in/page/{variable}>

The above URL pattern “/page/?” in this URL the 80% website content works. Below given is the image of a content currently how is being displayed.

Board of Governors						
Composition of Board of Governors as per Section 11A of NITSER Act, 2007						
Sl. No.	Composition as per the First Statutes of IISERs	Nomination (Ex-Officio)	Name	Tenure	From	To
a)	Chairperson to be nominated by the Visitor	Nominated	Prof. (Retd.) Arvind A. Natu, Chairperson BoG, IISER Kolkata (Additional charge of Chairperson BoG, IISER Berhampur)	6 months or till nomination of regular chairperson whichever is earlier in line with 11A(a) of the NITSER Act 2007	Nov 13, 2024	May 12, 2025
b)	Secretary, Department of Higher Education, Government of India, or his nominee not below the rank of the Joint Secretary in the	Ex-Officio	Smt. Saumya Gupta Joint Secretary (Technical Education) MoE, Govt. of India	Ex-officio member shall continue so long as holds the office by virtue of which he is a member as per 12(b) of the NITSER Act 2007	Feb 24, 2023	-

Useful Links

- 2016_Minutes_Special_BoG
- 2017_1_1_BoG_Minutes
- 2017_2_2_BoG_Minutes
- 2017_3_3_BoG_Minutes
- 2017_4_4_BoG_Minutes
- 2018_1_5_BoG_Minutes
- 2018_2_6_BoG_Minutes
- 2018_3_7_BoG_Minutes
- 2019_1_8_BoG_Minutes
- 2019_2_9_BoG_Minutes

- ➔ The complete content and the useful links are dynamic. So that is how maximum website content is working on this URL.
- ➔ So this page UI is required. Managing properly all dynamic content. (Dynamic Content, Useful Links, Bread Crumb).
- ➔ Currently the issue is displayed below in the image:

e)	Director of one of the Indian Institute of Technology, to be nominated by the Central Government	Nominated	Vacant	3 Years from the date of nomination as per section 12(a) of the NITSER Act 2007.	Vacant	Vacant
f)	Two Secretaries to the Government of India, to be nominated by the Central Government representing its Scientific or Industrial Ministries	Nominated	Secretary Department of Space & Chairman, Space Commission Govt. of India Secretary Department of Power Govt. of India		July 23, 2023	July 22, 2026
g)	Chief Secretary of the State in which the Institute is located, or his/her Nominee not below the rank of Joint Secretary to the Govt. of India	Ex-Officio	Shri Manoj Ahuja, IAS Chief Secretary, Govt. of Odisha	Ex-officio member shall continue so long as holds the office by virtue of which he is a member as per 12(b) of the NITSER Act 2007.	-	-
h)	Two Professors of the Institute to be nominated by the Senate	Nominated	Prof. Joydip Mukhopadhyay	2 Years from the date of nomination as per section 12(c) of the NITSER Act	Jan 11, 2023	Jan 10, 2025

- ➔ The issue now is if the useful links content is more than the actual content then the webpage symmetry disturbs. Just want UI such that it manages all dynamic content along with finding a way to display useful links without any breakout on UI/UX part.

- **Profile view:** <https://www.iiserbpr.ac.in/people/profile/{variable}>
- **Peoples view:** <https://www.iiserbpr.ac.in/people/{variable}>
- **Department view:** <https://www.iiserbpr.ac.in/department/view/{variable}>
[Main content dynamic]

For example:

1. <https://www.iiserbpr.ac.in/department/view/AA>
2. <https://www.iiserbpr.ac.in/department/view/bio>

- **Website forms:** <https://www.iiserbpr.ac.in/form>
- **Website forms content:** <https://www.iiserbpr.ac.in/form/{variable}>
- **Publications:** <https://www.iiserbpr.ac.in/Publication>
- **Career Pages:** <https://www.iiserbpr.ac.in/career/{variable}>
- **Tender Pages:** <https://www.iiserbpr.ac.in/BID/{variable}>
- **Gallery:** <https://www.iiserbpr.ac.in/gallery>
- **Search Page:** <https://www.iiserbpr.ac.in/home/search>
- **Activity Page:** <https://www.iiserbpr.ac.in/home/{variable}>
- **Activity View Page:** https://www.iiserbpr.ac.in/home/activity_view/{variable}
 1. Activity refers to News, Events, Seminars, Announcements etc...

Here the above bullet listed points are all the links to the pages of the complete website. Every link the website runs on. All these links are dynamically displaying data from backend.

[Note: All the below asked points must meet the responsive fit to any screen requirements.]

- ❖ **Header and footer must be common for all links** while developing the UI.
- ❖ A **Sticky Header** while the user scroll down the website. Example image of current sticky header is displayed below. (Note: header menu populates from backend using for each loop.)

- ❖ The Header must contain Search button icon, Language change option, and dark mode options provided would be appreciated. (Note: language change and dark mode must be working.)
- ❖ **Profile view:** <https://www.iiserbpr.ac.in/people/profile/{variable}> – Build UI such that each dynamic section get covered and all data displayed perfectly.

Example URL: <https://www.iiserbpr.ac.in/people/profile/director>

- ❖ **Peoples view:** <https://www.iiserbpr.ac.in/people/{variable}> – Build UI better referencing current layout and content. Make UI to look professional institute website.
Example URL: <https://www.iiserbpr.ac.in/people/faculty>
- ❖ **Department view:** <https://www.iiserbpr.ac.in/department/view/{variable}> – Build UI to make better layout and professional appearance. Take reference from current UI link given below. (Note: All the content being displayed is populated dynamically. The image, breadcrumb, main page content.)
Example URL: <https://www.iiserbpr.ac.in/department/view/bio>

- ❖ **Website forms:** <https://www.iiserbpr.ac.in/form>
The above link displays all the institute departments required forms present. UI matched to currently developed theme. All the department names are displayed dynamically.
- **Website forms content:** <https://www.iiserbpr.ac.in/form/{variable}> – Similarly build a UI referencing the current UI that matches the theme the UI is being developed.

(Note: The tabs for different category of forms for any department in current website overlaps as example you can view it in the below given example link prevent that and provide better UI.)

Example URL: <https://www.iiserbpr.ac.in/form/sa>

- ❖ **Publications:** <https://www.iiserbpr.ac.in/Publication>
Career Pages: <https://www.iiserbpr.ac.in/career/{variable}>
Example URL: <https://www.iiserbpr.ac.in/career/postdoc>

Tender Pages: <https://www.iiserbpr.ac.in/BID/{variable}>
Example URL: <https://www.iiserbpr.ac.in/BID/tender>

All the above links currently have UI must be referenced and build better UI that matches the homepage theme also the header and footer that is common for every link.

- ❖ **Gallery:** <https://www.iiserbpr.ac.in/gallery>
<https://www.iiserbpr.ac.in/gallery/image/6>
The above two given URLs are the current link reference for gallery page in our website. We need better UI that matches all criteria as per an educational institute gallery page. The first link displays all the albums and the second link here displays all the images inside those albums.
Here we need UI for two pages.

- ❖ **Search Page:** <https://www.iiserbpr.ac.in/home/search>
When clicked on the search icon on the header. The above link process. So it's basically a search page that give data for search keyword. As per UI you can provide **design for a new page or on click the search icon open an overflow transparent black displaying the search bar**. Any Design that suits the UI element will complement the UI.

- ❖ **Activity Page:** <https://www.iiserbpr.ac.in/home/{variable}>
Example URL: <https://www.iiserbpr.ac.in/home/news>

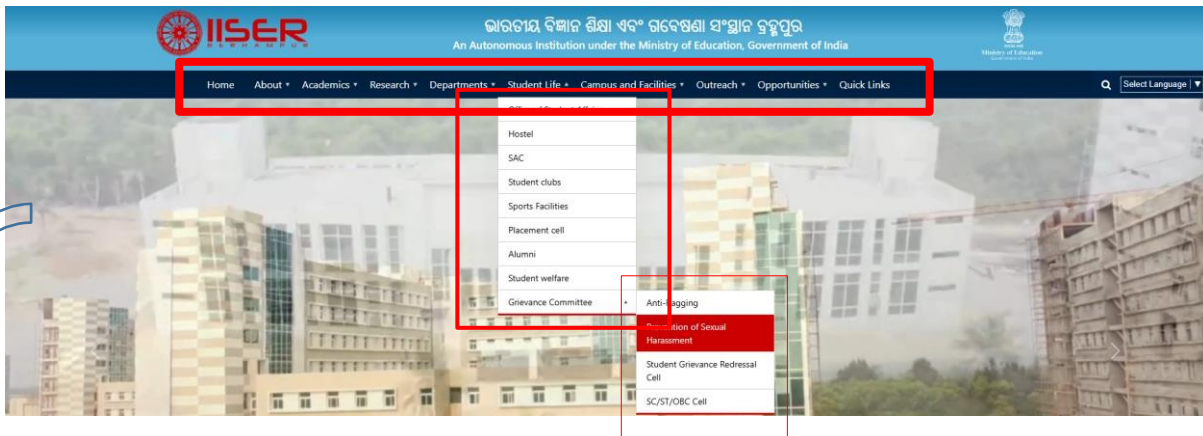

Build UI for above reference link maintaining looks as per institute website.

Activity View Page: https://www.iiserbpr.ac.in/home/activity_view/{variable}
Example URL: https://www.iiserbpr.ac.in/home/activity_view/339

All UI requirement pages has been explained above. **It's a request to visit all the example URL's provided for reference and design** the UI accordingly. **Reference refers** here to the **content being displayed are dynamic and UI must be managed** such that contents are not missed and UI also looks perfect.

Again a reminder that responsive must be maintained in all UI components.

Backend Technicalities Must Be Maintained for UI/UX Dynamic Data

1. Above is the image of WEBSITE HEADER --

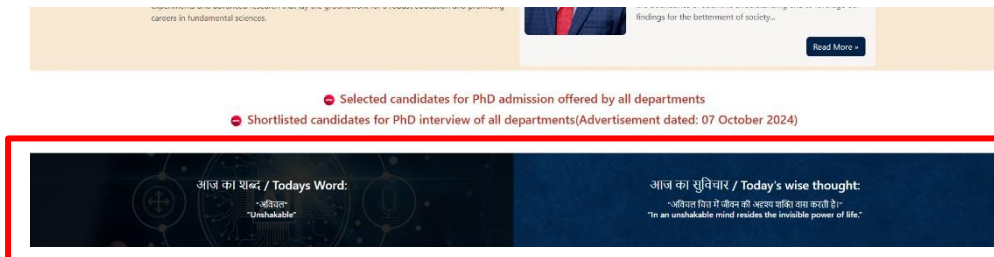

The menu list above the slider image is dynamic. It's been managed backend.

- This includes the **menu list**, then the **sub-menu** and if the sub menu has **more child menu** all the menus are **created dynamically** in the **backend**.
- **UI/UX development** must be **compatible** and can be called **using for loop**.

2. WEBSITE SLIDER --

Sliders are managed backend. Every slider has contents an **Image, Link, Description**.

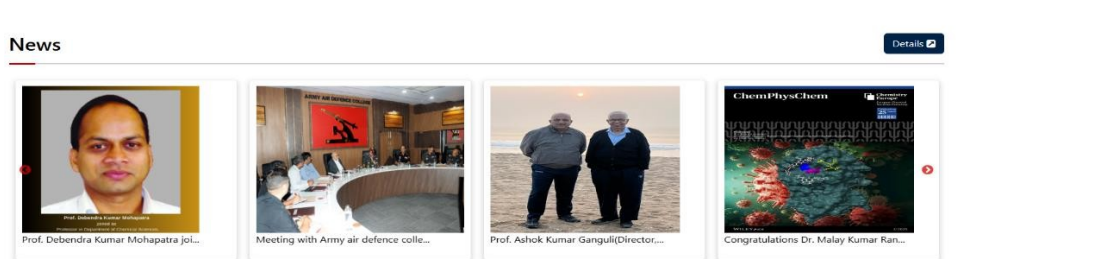

- Images displayed in a slider all contents dynamic.

3. Above image has red rectangle display a website section that plays a daily word and sentence quote. The above section is also maintained dynamically. There a dedicated data that changes every 24 hours.

4. Below are all the other sections that are dynamically loaded to the website.

(Images below are all the other sections)
