LABSCAPE ESSENTIAL MAINTENANCE CONTRACT

This contract is between BRUKER INDIA SCIENTIFIC PVT LTD a company incorporated under the Companies Act, 1956 and having its registered office at Unit No. 609, Satellite Gazebo, Andheri Ghatkopar road, Chakala, Andheri East, Mumbai - 400093 hereinafter referred to as the "BRUKER INDIA" or "BRUKER" or "Service Provider" (which expression shall unless it be repugnant to the context or meaning thereof mean and include its successors and assignees) and

Indian Institute of Science Education and Research Berhampur.

Govt. ITI Berhampur, Odisha, Transit Campus, NH-59, Engineering School Rd, Ganjam District, Berhampur - 760010, Orissa, India.

hereinafter referred to as the "Customer", or "Buyer" in accordance with the terms set forth below.

1. SCOPE OF SERVICE

Scope of service is defined below and both the parties agrees to the same. Any change in scope will not be valid unless it is agreed by both the parties as an addendum to this contract. Any product/ parts other than listed in scope of work is not considered in this contract thus not eligible for services here.

Please refer respective line item for respective scope of work.

SERVICE RESPONSE PROTOCOL IN CONTEXT OF SCOPE OF SERVICE-

a) Upon receiving a Buyer request for support, the Bruker India Engineer will contact the Buyer to gain a more complete understanding of the request, recommend diagnostic tests and, with the Buyer, interpret the results.

b) For calls received before 12:00 noon (Local time), the contact will be attempted prior to the end of the business day. For calls received after 12:00 noon (Local time), the contact will be attempted prior to 12:00 noon of the following day. In either case, if telephone contact cannot be made, a message will be left and / or an email message will be sent.

c) If the diagnostics indicate that material is required, the Bruker India engineer will arrange for material either from local stock if available or place order on the factory for priority shipment. If

	b. The Insurance for the defective probe during to and fro transit will be to customer's account. c. Logistics, packing, forwarding will be on customer's account unless explicitly agreed in the contract. d. Customer has to agree to our repair estimate in writing before sending probe to our repair center. e. After inspection final repair estimate will be submitted to the customer and after receipt of valid purchase order, repairs will be initiated. f. In the event it is not possible, to repair the probe in our Bangalore centre, the probe will have to be sent to our factory in Switzerland/Germany for further repairs. g. In case of repairs at our factory, customer has to arrange all the Customs and RBI documentation, including insurance, logistics and packing and transportation (to and fro). h. After inspection at our factory a final repair estimate will be submitted to the customer by Bruker India and after receipt of valid purchase order, repairs will be initiated. i. After repairs probe will be returned to the customer and all charges pertaining to customs, clearance, IGST etc. are due on customer account. j. Bruker will not be responsible for any penalties, arising due to late clearance, demurrages charges etc. n) Bruker service personnel will contact buyer within 48 hours after receiving complaint in written, solution will be provided appropriate as contract, an attempt will be made using telephone, remote and if unsuccessful, a visit will be plan based on contract conditions, also evaluating situation and suitability for a visit. o) Although we will try our best efforts to respond in time, still in present COVID situation we cannot commit or guarantee anything about physical visit for 48 hours. p) Customer will provide necessary consumables, samples, standards and any required material needed to complete the maintenance activity. GXP standards, all kind of liquid standards, solid standards to be purchased in advance by customer time to time before it's expiry and should be presented during calibration or preventive maintenance. LabScape Connect - based on a secure remote connection (e.g. WebEx™ or TeamViewer™), we are able to connect to verify the health of your system allowing us to detect abnormalities that could have a serious detrimental impact on the uptime of your instrument. Further remote monitoring services allow us to detect many issues that could cause a magnet quench before it actually happens! LabScape Essential - included in this agreement is the replacement of critical components that are prone to failure due to wear and tear or life expectancy. Specified critical components with a life expectancy of 5 years or less are routinely replaced resulting in the almost complete elimination of spontaneous failure due to wear or aging. Also included is Planned Maintenance and inspection giving a complete overview of the system status and condition with full OQ (Operational Qualification) documentation provided to verify correct instrument performance. LabScape Comprehensive - our ultimate agreement enabling Bruker to respond in the shortest possible time and eliminating administrative delays (e.g. obtaining budgetary authorisation, raising purchase orders, etc.). Covered by this agreement level are all parts, site visits and labor & travel costs related to hardware failure. Any required breakdown repairs from minor to major and costly (e.g. a magnet quench) are fully covered. Of course, also included is any and all

separately billed by BRUKER INDIA to Customer at Bruker's applicable rates
Unless specified explicitly in the quotation, this contract applies only to defects in material and workmanship in covered products and is not to be interpreted as providing full-service coverage for such items as routine maintenance, adjustments, or recalibration as defined by the instrument manual.

This contract covers only parts and labor furnished by BRUKER INDIA on Products and Accessories of its own manufacture. Items not manufactured by BRUKER may be repaired or replaced according to the original manufacturer's warranty terms, if any, but BRUKER accepts no responsibility for failure of the original manufacturer to perform under its warranty obligations.

6. TERMINATION

This contract may be terminated at any time by either party on 30 days' written notice with detail reason of such termination. Any refunds or additional charges shall be on pro-rata basis. BRUKER INDIA shall calculate the prorated price of this contract from its effective date until the termination date plus a 10% cancellation fee. Any payments made by Buyer to BRUKER INDIA in excess of this amount shall be credited to the Buyer's account within thirty (30) days of the Termination date after adjusting any other legitimate dues to be collected from Buyer. Any unpaid portion of this amount shall be immediately due upon Buyers receipt of an invoice from Bruker India.

7. ACCESS & ASSISTANCE

Customer will allow access to its site to the BRUKER to enable them to provide service to the customer covered by this contract. Service work on Saturdays, Sundays and public holidays are excluded in general. Customer also agrees that it will give all the reasonable co-operation in providing manual labor /equipment to assist in moving or transport of heavy items and services of electricians, plumbers, masons, carpenters or other craftsmen where such services may be necessary for modifying or correcting the customer's facilities if it is required so to ensure functioning of Equipment under this contract. Such services are to be provided promptly.

8. RESPONSIBILITIES

All services are to be performed in good faith, but no responsibility can be assumed for delays under the situation of Acts of the God, Damages caused due to rats/rodents, decrees or acts of Government, Epidemics, Natural calamities, strikes, delays of transportation/interruption of business of either party or other causes beyond our control. Any delay or Failure from customer to pay the dues as per clause 3 will absolve Service provider from any responsibility whatsoever under this contract

9. EXCLUSIONS

The following are expressly not covered under this contract:

- Anything comes under FORCE MAJEURE as defined in Clause 4 of General Standard T&C
- Any service required by a failure resulting from actions by someone other than our personnel or our contractors
- Any service required by
 - (1) your failure to fulfill your responsibilities under the contract;

	OUR OTHER GENERAL STANDARD TERMS AND CONDITIONS		
	1) GENERAL TERMS		
	• All quotations, shipments and services given and made by Bruker India are governed solely by the conditions and terms set forth in this quotation. • No additions to or modifications of any of the provisions upon the face or reverse of this form shall be binding upon BRUKER INDIA unless made in writing and signed by a duly authorized representative. • In absence of written acceptance of these terms and conditions, an acceptance of any goods or services, shipped or provided by BRUKER INDIA based on a purchase order received from purchaser shall constitute an acceptance of these terms and conditions. The terms and conditions herein shall prevail as against the terms and conditions of any purchase order. • The rights and obligations of the parties shall be governed in all respects by the laws of Govt of India and the parties shall submit themselves to the jurisdiction of the said country. • BRUKER INDIA shall retain copyright, trademark, patent and proprietary rights in all drawings, technical information and know-how. Purchaser agrees not to disclose to third parties any information gained from BRUKER INDIA without BRUKER INDIA prior written consent. In the event Purchaser breaches any of the conditions set forth herein including payment term, in addition to any other remedy BRUKER INDIA may have, it may discontinue all service to purchaser, and all guarantees and contracts shall be terminated without notice if BRUKER INDIA may choose to do so. • Documentation such as Software Listings, detailed Drawings and other documentation normally not distributed may only be provided by BRUKER INDIA on the condition that the receiver of such documentation sign a Confidentiality Contract. • Clerical errors and mistakes of fact are subject to correction by BRUKER INDIA at any time.		
	2) LIMITATION OF LIABILITY: -		
	Reasonable care must be used to avoid hazards. BRUKER INDIA expressly disclaims responsibility for loss or damage caused by use of its products other than in accordance with proper operating procedures. IN NO EVENT SHALL BRUKER INDIA BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL OR RESULTING LOSS OR DAMAGE OF ANY KIND, HOWSOEVER CAUSED. BRUKER INDIA LIABILITY FOR DAMAGES SHALL NOT EXCEED PAYMENT, IF ANY RECEIVED BY BRUKER INDIA FOR THE UNIT OR PRODUCT OR SERVICE FURNISHED OR TO BE FURNISHED, AS THE CASE MAY BE, WHICH IS THE SUBJECT TO CLAIM OR DISPUTE. All obligations of BRUKER INDIA under this contract shall cease in the event its products or parts have been subject to accident, abuse, alteration, misuse or neglect, or which have not been operated and maintained in accordance with proper operating procedures. No action, regardless of form, arising out of, or in any way connected with, the products or services furnished or to be furnished by BRUKER INDIA may be brought by the Buyer more than THREE MONTHS after the cause of action has accrued.		
	3) ARBITRATION
