Laudigam, Odisha**MRSI-ICEM 2025**
Pre-Conference Workshop**PRE-CONFERENCE WORKSHOP****ADVANCED
MATERIALS
CHARACTERIZATION****Date :**

16 December, 2025

**Time :**

From 9:00 AM

FOR LIMITED PARTICIPANTS **Speakers/Experts** **Dr. Tirumala Kumar
Chowdary, NISER
Bhubaneswar**
Cryo TEM**Prof. Sujit Manna**
IIT Delhi
STM**Prof. Sajesh Thomas,**
IIT Delhi
X-ray Crystallography:
Single Crystal and Powder**Prof. Deodatta
Shinde, BARC**
Atom Probe Tomography**Prof. Tapobrata Som**
IOP, Bhubaneswar
AFM**Prof. Parikshit
Moitra, IISER
Berhampur**
Photoacoustic Imaging **About the Workshop**

As part of **MRSI-ICEM 2025**, a special Pre-Conference Workshop on "**Advanced Materials Characterization**" will be held at IISER Berhampur on 16th December 2025 for a limited number of participants. The workshop will feature lectures by leading experts in materials science, providing valuable insights into the advanced characterization techniques. Participants will also have the opportunity to visit an advanced characterization laboratory, gaining first-hand exposure to state-of-the-art equipment and methods. Attendance is limited to 100 participants on a first-come, first-served basis.

PATRON

- 
- Prof. Ashok K Ganguli**

About IISER Berhampur

The Indian Institute of Science Education and Research (IISER) Berhampur, established in 2016 under the Ministry of Education, offers BS-MS, iPhD, and PhD programs in science disciplines. Equipped with advanced laboratories and research facilities, the institute fosters innovation, critical thinking, and academic excellence, attracting talented students and faculty nationwide to advance knowledge, discovery, and contributions to science and society. The campus provides a vibrant academic environment, encouraging interdisciplinary collaboration and impactful research.

**COORDINATOR****Dr. Ajay Perumal**, Department of Physics, IISER Berhampur, Odisha
