

OFFICE OF THE DEAN, FACULTY AFFAIRS

 Advertisement No. IISERBPR/ADV/PDRF/CHM/2024/15

Date: October 8, 2024

Name of the position	PDRF
No. of position	01
Type of engagement	Temporary
Name of the Project	Novel explorations towards N-heterocyclic olefins supported phosphorus (III) species and their reactivity studies
Funding Agency	Funded by IISER Berhampur
Principal investigator (PI) with contact details	Dr. Adinarayana Doddi Assistant Professor Dept. of Chemical Sciences Indian Institute of Science Education and Research, Berhampur, Odisha
Qualification and experience as per MoE guidelines (F. No.12-2/2019-U1 dated January 31, 2019), F. No. 51-07/2019-TS.VII (Vol. -II) dated October 04, 2019 or as per the guidelines of the funding agency	The candidate should have a Ph.D. in inorganic/organometallic chemistry and homogeneous catalysis. He/she should have an experience in handling air-sensitive compounds with vacuum and Schlenk line manipulations. The candidates who submitted PhD thesis and awaiting for the degree are also encouraged to apply.
Period of engagement	Until 24 th September 2025 starting from the date of joining.
Fellowship/Remuneration per month (₹)	As per Institute Norms (Gol):
Job requirement	The position is available in the Main-Group, and Organometallics and Catalysis Research Laboratory headed by Dr. Adinarayana Doddi . His research program emphasizes the design of novel N-heterocyclic carbenes and phosphines and their utility as ancillary ligands in synthetic organometallics and catalysis. His group also actively works on novel molecular catalysts/main-group metal free catalysis for the activation of small molecules (For more details visit: https://adinarayanadoddi.wixsite.com/mysite/about-me)
Last date of applications	A detailed CV (pdf file < 10 MB) and a research statement containing the background and motivation for research (pdf file < 10 MB) has to be sent to PI at: adoddi@iiserbpr.ac.in latest by (October 25, 2024) (1700 hrs) with the subject line "Application for PDRF Position". For any technical information, candidates are free to contact the PI on Email/phone.
Interview	The date of interview will be informed later to the shortlisted candidates through email/phone. The interview will be conducted either in offline/ or in online mode.

Signature of the Principal Investigator
